Freedom costs men and women ...

Friday, September 29 @ 7 PM

# Home Missions Service

GENERAL CONFERENCE  
Nationwide Arena, Columbus, Ohio

SPEAKER: JERRY WAYNE DILLON - MADISON, MS

Everyday lives are lost to the tyranny of evil. We must rise up, and with fire in our voices, declare, "I will go." Freedom costs men and women who will leave everything and go reach a lost and dying world. Come and experience an explosive and challenging evening of praise, prayer, and priorities. You will be ignited with the challenge to "Light Your World."
